Association of Academic Physiatrists

EXPERIENCE THE MAGIC OF THE AAP ANNUAL MEETING

ASSOCIATION OF ACADEMIC PHYSIATRISTS (AAP)

The AAP represents over 2,900 worldwide leaders in physical medicine and rehabilitation (PM&R) at every career level. AAP members are influential key opinion leaders in the specialty, rising stars and early career physicians, and forward-thinking residents and fellows. They are decision-makers in leading rehabilitation hospitals, academic medical centers, and practices across the United States.

Physiatry '25 brings together physiatrists from the U.S. and across the world.

IMAGINE YOUR BRAND HERE

We offer various opportunities to get in front of and make meaningful connections with your target audience.

Aligning your brand with Physiatry '25 is a can't miss opportunity to develop long-lasting loyalty and a positive reputation with the leaders of the specialty.

WHAT TO EXPECT? Attendees, exhibitors, and sponsors can expect a motivated, intimate and academic AAP community brought together to learn from leaders in the industry and make connections.

Build Your Network and Pipeline – Attracting over 1,700 attendees each year, Physiatry '25 will bring together a worldwide community of practicing physiatrists, academic leaders, rehabilitation professionals, and trainees alongside leading companies, institutions and organizations. *Check out our exhibit booth, networking event sponsorships, and advertising opportunities!*

Demonstrate Your Expertise and Leadership – We elevate the essential role that rehabilitation plays in advancing independence and quality of life, giving you the venue to connect with a captive and targeted audience on the topics you care deeply about. *Sponsor hands-on demonstrations, small group presentations, or a highly attended lunch, breakfast, or happy hour symposium.*

Learn and Grow – Connections happen on and off the show floor at Physiatry '25. Exhibitors and sponsors are deeply integrated into the overall AAP and Physiatry '25 communities. *You are invited to participate in exceptional workshops and sessions and attend networking and social events throughout the meeting.*

THE FUTURE OF PHYSIATRY HAPPENS HERE

A Specialty with Growing Impact & Prominence

What is a Physiatrist?

Physiatrists are physicians who specialize in physical medicine and rehabilitation (PM&R) — also referred to as physical and rehabilitation medicine (PRM).

Physiatrists emphasize the prevention, diagnosis, treatment and rehabilitation of people disabled by disease, disorder or injury.

Physiatrists use medicine, technology and innovation to manage a variety of conditions involving the nervous and musculoskeletal systems, and focus on function, independence and quality of life.

What’s Happening on the Expo Floor?

On the expo floor, you will experience a lively environment filled with excitement and opportunity. Leaders and rising stars fill the floor all dedicated to advance the future of physiatry. Physiatry ’25 sponsors and exhibitors enjoy 10 non-competing exhibit hours and opportunities to maximize awareness.

SHOW FLOOR ACTIVITIES

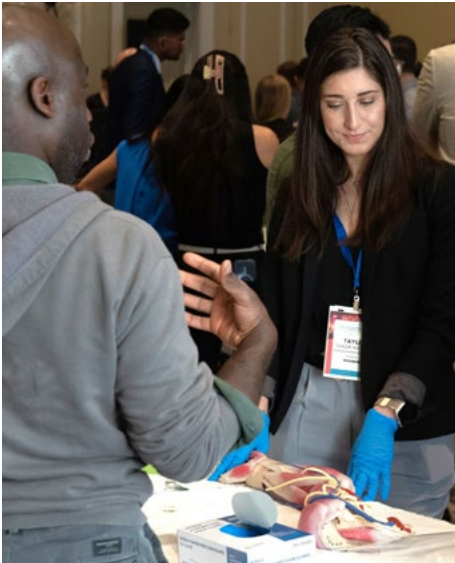

Various activities are happening on the Expo Floor to help drive traffic to your booth including all break functions (coffee and refreshments), Welcome Reception, Signature Lunch, Pop-up Presentations, Hands-on Demonstration Pods, and even a few surprises! Exhibitors are encouraged to organize raffles, meet-and-greets, and challenges for attendees.

CENTRAL HUB LOCATION

The Physiatry ’25 Expo Hall is located centrally in the meeting venue, the Phoenix Convention Center. The area is surrounded by Plenary Sessions, Breakout Educational Sessions, a Poster Hall, the Registration Area, and more. Attendees will be able to quickly access the Expo Hall and all it has to offer.

COMMUNITY

AAP offers an interactive floor plan and exhibitor portal to empower exhibitors to select their own booth space and furniture, complete necessary tasks, and access important information such as the Exhibitor and Shipping Manual. Exhibitors receive regular communication and updates leading up to the meeting and a daily email each morning onsite indicating activities for the day to help exhibitors plan their booth appropriately and take advantage of down time to meet with physicians, take breaks, and attend educational sessions of interest.

“This meeting is a game changer for PM&R doctors!

Good for learning skills to teach and practice our specialty.”

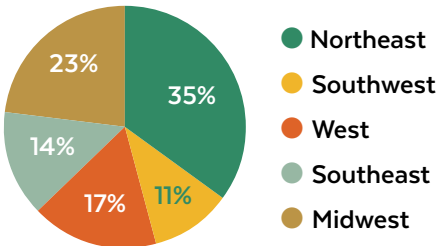

— Francisco Bentz Brugal, MD, Founder & CEO of Rehabilitik
