2 Prominent Rehabilitation (PM&R) Societies

Come Together for 1 Premier World Congress in Canada

CANADIAN ASSOCIATION OF PHYSICAL MEDICINE & REHABILITATION (CAPM&R)

As host society, CAPM&R brings national leadership to the forefront, **representing 400+ physiatrists** and ensuring Canadian priorities and patient-centered values are reflected. Programming is accredited by the Royal College of Physicians and Surgeons of Canada, meeting the highest standards of integrity, objectivity, and balance.

INTERNATIONAL SOCIETY OF PHYSICAL AND REHABILITATION MEDICINE (ISPRM)

The ISPRM serves as the global agency for physical and rehabilitation medicine. The ISPRM represents to total of **67 countries and more than 35,000 members worldwide**, aiming to continuously improve rehabilitation practice with the goal to contribute to optimal functioning and quality of life for people experiencing disability.

WHAT IS ISPRM 2026?

The ISPRM World Congress is the premier global forum, uniting 2,000+ rehabilitation professionals from 60+ countries to share knowledge and foster collaboration. Together, ISPRM and CAPM&R welcome this international audience while showcasing Canada's commitment to advancing PM&R and improving patient outcomes worldwide.

WHAT TO EXPECT? Attendees, exhibitors, and sponsors can expect the same collegial, intimate, and academic community and the same unifying ISPRM World Congress that you have come to know and love. Plus, much more!

Build Your Network and Pipeline – Attracting over 2,000 attendees each year, the ISPRM World Congress will bring together a worldwide community of practicing physiatrists, academic leaders, rehabilitation professionals, and trainees alongside leading companies, institutions and organizations. *Check out our exhibit booth, networking event sponsorships, and advertising opportunities!*

Showcase Company or Institution as World-Class – Aligning your brand with the ISPRM World Congress is a can't miss opportunity to develop long lasting loyalty and a positive reputation on an international scale. *Sponsor and exhibitor logos are featured on conference materials leading up to and during the meeting.*

Demonstrate Your Expertise and Leadership – We elevate the essential role that rehabilitation plays in advancing independence and quality of life, giving you the venue to connect with a captive and targeted audience on the topics and word you care deeply about. *Sponsor hands-on demonstrations, small group presentations, or a highly attended lunch or breakfast symposium.*

Learn and Grow – Connections happen on and off the show floor at ISPRM 2026. Exhibitors and sponsors are deeply integrated into the overall ISPRM program. *You are invited to participate in exceptional educational workshops and sessions and attend networking and social events throughout the meeting.*

What’s Happening on the Expo Floor?

On the expo floor, exhibitors will meet physiatry and rehabilitation leaders and rising stars who are dedicated to improving patient care and moving their institutions and the specialty forward. ISPRM 2026 sponsors and exhibitors enjoy 10 non-competing exhibit hours and countless opportunities for you to maximize awareness. Space is always limited to ensure an intimate atmosphere and quality relationship building time.

SHOW FLOOR ACTIVITIES

Various activities are happening on the Expo Floor to help drive traffic to your booth including all break functions (coffee and refreshments), Welcome Reception, Pop-up Presentations, Hands-on Demonstration Pod, Photo Booth, LIVE poster gallery events and research presentations, Dog Park, and more! Exhibitors are encouraged to organize raffles, meet-and-greets, and challenges for attendees.

CENTRAL HUB LOCATION

The ISPRM 2026 Expo Hall is located at the heart of the meeting space in the Vancouver Convention Centre, just a short walk to Plenary Sessions, Breakout Educational Sessions, Registration Area, and more.

COMMUNITY

We’re offering an interactive floor plan and exhibitor portal to empower exhibitors to select their own booth space and furniture, complete necessary tasks, and access important information such as the Exhibitor and Shipping Manual. Exhibitors receive regular communication and updates leading up to the meeting and a daily email each morning onsite indicating activities for the day to help exhibitors plan their booth appropriately and take advantage of down time to meet with physicians, take breaks, and attend educational sessions of interest.

“We really appreciate how focused the content is, and the intimate atmosphere of ISPRM—we made contact with quality prospects!”
